Battery Hold Downs	--	\$14.00	--	--	--
Battery Rods (each)	--	\$6.00	--	--	--
Battery Tray	Cost TBD (If battery tray is rusted out/corroded, cart will require additional estimate.)				
Shop Supplies	No shop supplies will be charged on battery install work.				

\*Installed price based on local territories and National Carts schedule. Additional sales tax applies. Includes 24 month warranty if properly maintained. (Proper water level must be maintained—verified by acid level testing. Must routinely check and tighten terminal lug ends. Low water level and/or melted battery voids warranty.)
